

The Pay It Forward Loan

Supporting kids to achieve their goals and dreams

HOW IT WORKS

This isn't a normal loan — it's a **blessing loan**. God put it on our hearts to help you finish school. We lend you funds to cover school fees and tuition, with **zero interest**. That means you only ever pay back exactly what you were given.

Once you finish school and get a job, you commit to paying back **20% of your salary** until the amount invested in you is fully repaid. Your payments don't go toward profit — they go directly to help the next child, the next student. Your education becomes a blessing first for you, and then for someone else too.

VISION

“Raising a generation of educated leaders who lift others as they rise.”

MISSION

“To give students financial help today, and teach them to be givers tomorrow.”

WHY YOU PAY IT BACK

- **Keep the cycle going.** Because there's no interest, every full repayment goes directly toward another student's fees.
- **Stewardship.** *“Whoever can be trusted with very little can also be trusted with much” (Luke 16:10).* Paying it back shows you are faithful with what God and this church have entrusted to you.
- **Pay it forward.** Jesus said, *“Freely you received, freely give” (Matthew 10:8).* Someone helped you — now you help the next person. That's how God intended blessing to spread.
- **Keep the well full.** If everyone draws water but no one refills the well, it runs dry. When you pay it back, the well stays full for your brothers and sisters still to come.
